Welcome to LSU Orientation video

Resource type: YouTube video

Link:

https://www.youtube.com/watch?si=p5CElr4TCdjzSZgq&v=11t_o2BxY8s&feature=youtu.be

Description (from authors/creator): *Welcome to LSU! This orientation video guides you through your key support resources, including your Student Success Coach, Academic Advisor, and campus services such as Financial Aid, Libraries, Career Center, tutoring, and Uwill teletherapy. You'll also learn how to get connected through Tiger Connect and where to find the Newly Admitted Students checklist. We'll guide you through the important first steps, including activating your LSU email, accessing Workday, exploring Moodle, and scheduling your Welcome Call. You're officially a Tiger, and our team is here to support you from day one. Geaux Tigers!*

Newly Admitted Student Checklist

Resource type: PDF & website

Link to PDF: [LSU-NewlyAdmittedStudents-Checklist.pdf](#)

Link to website: [Newly Admitted Student Checklist | Resources | LSU Online](#)

Description: Checklist to guide newly admitted students through essential tasks to complete upon admission and prep for classes.

Academic Calendar

Resource type: website

Link: [Academic Calendar | Registrar](#)

Description: Website created by the Registrar's office to provide an academic calendar for online students with important dates and deadlines that includes class start dates to commencement dates for each academic year by term. The current calendar runs through the 2028-2029 academic year and may be subject to change, so please review regularly and contact the registrar's office for questions about specific dates.

Starting Strong Moodle Course

Resource type: LMS Moodle course

Link to Moodle course (LSU SSO required to access course): [Course: Starting Strong | LSU Moodle 4.5](#)

Description from author: *We are thrilled that you have enrolled with us at LSU! This is your first glimpse into what your online courses will look like, but we want you to Start Strong! This course will help you find your way around Moodle, locate resources available to you as an LSU student, and learn useful tips that will help you succeed on your educational journey.*

This orientation is not mandatory. The purpose and goal of this course is to provide information and resources to help you, inform you, welcome you, and set you up for success for the duration of your program. We are so glad you are here!

This course should take you about 1 to 2 hours to complete, not including any time you spend on suggested Northstar Online Learning activities. (See the section at the bottom of this page for more information.) You can navigate through the course as you see fit and revisit any sections that are of particular interest to you.

Workday Student Resources

Resource type: website

Link: [Student Resources | Workday Student](#)

Description: Website created to guide students through navigating Workday Student activities from registration, course advising, and financial aid tasks, degree information, and more.

Workday Student: Viewing Course and Course sections

Resource type: website

Link: [VADV_007_Course and Course Sections_Final](#)

Description: Guided video demonstrating how to view courses and course sections in Workday Student

Resources Document
